

Missing You (Stefan Ponce Remix)

David Guetta

Have you fuck up from the last time?
You think you got everyone figured out
We are leavin' in a glass house
'Cause everything is shadowing all aroundNow tell me what you mad about
I'm tired of developing nonsense
And if you were to leave me now
I probably do nothing to stop itI won't be missing you anymore!
Missing you anymore!
Missing you anymore!
Missing you anymore!
Missing you anymore!Touch you little more!
Not love you anymore!
Is that what you really want?
Is that what you really want?Have you fuck up from the last time?
You think you got everyone figured out
We are leavin' in a glass house
'Cause everything is shadowing all aroundNow tell me what you mad about
I'm tired of developing nonsense
And if you were to leave me now
I probably do nothing to stop itMissing you anymore!
Missing you anymore!
Missing you anymore!
Missing you anymore!Touch you little more!
Not love you anymore!
Is that what you really want?
Is that what you really want?Now you can go spin your game girl
Go-go-go on with your game girl
Now you can go spin your game girl
Go-go-go on with your game girlYea you fucked up for the last time
I'm tired of all the nonsense
You think you got everyone figured out
We are livin' in a glass house
'Cause everything's shattering all aroundNow tell me what you mad about
I'm tired of all the nonsense
And if you were to leave me now
I probably do nothing to stop itMissing you anymore!
Missing you anymore!
Missing you anymore!Touch you little more!

Not love you anymore!
Is that what you really want?
Is that what you really want?
