

Carolanne

The Mallett Brothers Band

Never much for talkin.
Sure can't talk to you you're always barking, and I can't get two words through
acted like an angel. Shoulda known it wasn't true,
but the first time that I leave you bring that devil home with you.

Caroleanne I see now what,
You've been doin to me.
Caroleanne so long I bet,
bet you're gonna miss me when I'm gone.

Never much for losing, I can't win with you
my ego's bruised and beaten down under your shoes.
Shoulda known I was gettin treated like a fool,
you think you need a change I'm gonna make some changes too.

Caroleanne I see now what,
You've been doin to me.
Caroleanne so long I bet,
bet you're gonna miss me when I'm gone.

Gonna run so fast my shoes fall off my feet
then I'm gonna run so far you ain't never gonna hear about me
I'm gonna find me a woman cause it's a
big wide world, she gonna
make me forget once upon a time you were my girl
and that's all you was.

Never much for talkin'.
