Come Closer (feat. David Jay)

Faustix

GoRemember when a smile from a stranger
Could make you smile
Fresh breeze
And your hands reaching higher
Felt like you
Touched the skyWe would play wild to the morning
stars in our eyes
No worries about
the past or the futurewhere were queens of the night
Kings of the night
And she saidHold tight don't ever let me go
Come closerFeel my heart don't ever let me go
All I want is for you tocome closerHold tight don't ever let me go
All I want is for you tocome closerTake my hand and never let me goHold tight don't ever let me go
All I want is for you tocome closerTake my hand and never let me goSecrets yeah
Nobody has to know
All the pain All we did
To explore
All the things that we said
Things that we did
For us to be more than a Fling
Now a days
They're too busy
Being someone
They can never be
But we're here for the night
Young wild and free
come fly away with meHold tight don't ever let me gocome closerTake my hand and never let me gowayo oh
Hold tight don't ever let me gowayo
Feel my heart don't never letting go nowayo oh yeahHold tight don't ever let me gocome closerFeel my heart
don't ever let me go
All I want is for you tocome closerHold tight don't ever let me go
All I want is for you tocome closer
