

# By The Sea

## Suede

She can walk out anytime, anytime she wants to walk out, that's fine  
She can walk out anytime, anytime she feels that life has passed her by  
And when I start my new life, I won't touch the ground  
I'm gonna try hard this time not to touch the ground  
He can walk out anytime, anytime he wants to walk out,  
that's fine  
He can walk out anytime, across the sand, into the sea, into the brine  
And when I start my new life I won't touch the ground  
I'm gonna try hard this time not to touch the ground  
So we sold the car and quit the job and shook some hands  
And wiped the make-up right off and we said our good-byes to the bank  
Left Seven Sisters for a room in a seaside shack  
And when I start my new life I won't touch the ground  
I'm gonna try hard this time not to touch the ground  
It's by the sea we'll breed  
Into the sea we'll bleed
