Reflektor

ARCADE FIRE: Reflektor (Merge)

Trapped in a prism
In a prism of light
Alone in the darkness
Darkness of white
We fell in love
Alone on a stage
In the reflective ageEntre la nuit, la nuit et l'aurore.
Entre le royaume, des vivants et des morts.If this is heaven
I don't know what it's for
If I can't find you there
I don't careI thought I found a way to enter
It's just a Reflektor (It's just a Reflektor)
I thought I found the connector
It's just a Reflektor (It's just a Reflektor)The signals we send
Are deflected again
We're still connected
But are we even friends?We fell in love when I was nineteen
And I was staring at a screenEntre la nuit, la nuit et l'aurore.
Entre les voyants, les vivants et les morts.If this is heaven
I need something more
Just a place to be alone
Cause you're my home???I thought I found a way to enter
It's just a Reflektor (It's just a Reflektor)
I thought I found the connector
It's just a Reflektor (It's just a Reflektor)It's just a reflection of a reflection
Of a reflection of a reflectionWill I see you on the other side?
We all got things to hideIt's just a reflection of a reflection
Of a reflection of a reflectionWill I see you on the other side?
We all got things to hideAlright, let's go backOur song escapes
On neon silver discs
Our love is plastic
We'll break it to bitsI want to break free
But will they break me?
Down, down, down
Don't mess aroundI thought I found a way to enter
It's just a Reflektor (It's just a Reflektor)
I thought I found the connector
It's just a Reflektor (It's just a Reflektor)Thought you would bring me to the ressurector
Turns out it was just a Reflektor (It's just a Reflektor)

Thought you would bring to me the ressurector
Turns out it was just a Reflektor (It's just a Reflektor)
Thought you would bring to me the ressurector
Turns out it was just a Reflektor (It's just a Reflektor)It's a Reflektor
It's just a Reflektor
Just a ReflektorWill I see you on the other side?It's just a ReflektorWill I see you on the other side?
We all got things to hideIt's just a ReflektorWill I see you on the other side?
