Baywatch Theme Song

David Hasselhoff

In a moment of crisis you have to believe in yourself
But you may be frightened you know there is nobody else
You're a survivor, you'll be a hero for sureI believe, there is a moment
I believe, there is a time
I believe, there is a mountain
I believe, we must climb
I believe, there is a reason
I believe, there is a place
I believe, there is a challenge
We must face, face to faceThe sound of the sirens is singing, cover your ears
The voice that's inside is the only one you need to hear
Hold yourself steady, don't deviate from your heartI believe, there is a moment
I believe, there is a place
I believe, there is a challenge
We must face, face to faceThis is the moment, I will not fail
This is the moment, I will prevailIf you stay true to your heart,
You're equal to heartI believe, this is the moment
I believe, this is the time
I believe, this is the mountain
I believe, we must climbI believe, this is the reason
I believe, this is the place
I believe, this is the challenge
We must face, face to faceOh I believe, oh I believe
I believe, I believe,
Oh I believe
