Love You Down (Mixologist Mix)

INOJ

It never really mattered to much to me
You were just too damned old for me
All that really mattered was you were my girlfriend
And baby, that's all that mattered to meLet me love you down
Even if it takes all night
Let me love you down
You know it's got to be so rightRemember when you drove me home from work
I love the way when you kissed me bye
All of your friends think I'm just too young for you
You tell 'em I can do that the guys their age can doOh baby, let me love you down
Even if it takes all night
Let me love you down
You know it's got to be so right
Let me love you down
Even if it takes all night
Let me love you down
You know it's got to be so rightIt never really mattered to much to me
You were just too damned old for me
All that really mattered was you were my girlfriend
And baby, that's all that mattered to meOh baby, Let me love you down
Let me love you down
You know it's gonna be so rightLet me love you down
Let me love you down
You know it's gonna be so rightI can love you down
Let me love you, let me love you
Let me love you down
I know, I know I could
Let me love you down
I know it's gonna take all night
Let me love you down
Let me love you downLet me love c'mon [Incomprehensible]
Love you down down down down down
Love you down down down down down
I know, I know I couldLet me love you down
It's just you and me the whole night through
Let me love you baby
I know, I know I could
Love you down downLet me love you

This so sweet to know
Let me love you down, oh baby
It's just you and me baby, the whole night throughSo let me love you down
