

# Rejoice

## Anointed

Raise your hands and lift your voice  
Make some noise  
This is your time, come on everybody  
Rejoice, come on, rejoice Life throws us around in circles  
That never seem to come to an end  
Before you know it you don't know how or when  
You lost the joy but you're lost too The burning fire that burns deep within  
But it's never too late to start again  
Just because you can't, forget the hurry  
It's time to lay it on top Raise your hands and lift your voice  
Sing a new song to the Lord  
Give Him thanks and make some noise  
This is your time, come on everybody Rejoice  
Come on, rejoice  
Rejoice, come on You don't have to look very far now  
To find a reason, to find a rhyme, no  
You just got to stop, you got to take the time  
To see His glory, feel His mercy  
To see the life that He's given to us All the joy and all the forgiveness  
(Before the Lord's mountain)  
Before the mountain  
Before we start to climb Raise your hands and lift your voice  
Sing a new song to the Lord  
Give Him thanks and make some noise  
This is your time, come on everybody Rejoice  
Come on, rejoice  
Rejoice, come on  
Ooh, move over Make some noise, yeah  
Come on, ooh yeah  
Hey, hey, hey, hey  
God speaks unto you, everybody rejoice This is the day the Lord has made  
And I will rejoice  
This is the day the Lord has made  
And I will rejoice This is the day the Lord has made  
And I will rejoice  
This is the day the Lord has made Before the rocks, before the mountains  
Before we start to climb, oh  
Yeah, yeah, yeah, yeah Raise your hands and lift your voice  
Sing a new song to the Lord

Give Him thanks and make some noise  
This is your time, come on Raise your hands and lift your voice  
Sing a new song to the Lord  
Give Him thanks and make some noise  
This is your time, come on everybody Rejoice  
This is the day the Lord has made  
And I will rejoice  
This is the day the Lord has made  
And I will rejoice
