

# Perfect

## KIDZ BOP Kids

Made a wrong turn once or twice  
Dug my way out of the fire  
Bad decisions, that's alright  
Welcome to my silly life Mistreated, misplaced, misunderstood  
Miss "no way it's all good"  
It didn't slow me down  
Mistaken always second guessing  
Underestimated  
Look I'm still around Pretty pretty please  
Don't you ever ever feel  
Like your less then  
Less then perfect  
Pretty pretty please  
If you ever ever feel  
Like your nothing  
You are perfect to me You're so mean (you're so mean)  
When you talk (when you talk)  
About yourself you were wrong  
Change the voices (change the voices)  
In your head (in your head)  
Make them like you instead So complicated  
Look how big you'll make it  
Filled with so much hatred  
Such a tired game  
It's enough  
I've done all I can think of  
Chased down all my demons  
Seen you do the same Pretty pretty please  
Don't you ever ever feel  
Like your less then  
Less then perfect  
Pretty pretty please  
If you ever ever feel  
Like your nothing  
You are perfect to me The world's scared so I swallow the fear  
The only thing I should be thinking is to be sincere  
So cool in lying and we try try try  
But we try to hard it's a waste of my time  
Done looking for the critics 'cause they're everywhere

They don't like my genes they don't get my hair  
Exchange ourselves and we do it all the time  
Why do we do that  
Why do I do that  
Why do I do that?  
Yeah yeah yeah oh  
Oh pretty pretty pretty Pretty pretty please  
Don't you ever ever feel  
Like your less then  
Less then perfect If you ever ever feel  
Like your nothing  
You are perfect to me
