valerie Is Sleeping

Stan Ridgway

Watch the planes take off and touch the clouds
Thinkin' I'm a mess, in trouble now
Buried her in a hole last night
Underneath a treeMy life went wrong
When I met Valerie
My life went wrong
When I met ValerieOne night we walked into a field
Behind the trailer park she kneeled
The moon was hangin' like a mask
I lost my temper for the last time thenMy life went wrong
When I met Valerie
My life went wrong
When I met ValerieValerie is gone now
Valerie is sleeping
Valerie is sleeping nowValerie is gone now
Valerie is sleeping
Valerie is sleeping nowValerie is gone now
Valerie is sleeping
Valerie is sleeping nowValerie is gone now
Valerie is sleeping
Valerie is sleeping now
