

# Life of the Party

## Forever the Sickest Kids

Through the life of the party, party, ah, ah  
The life of the party, party, ah, ah  
The life of the party And she's the best that I've ever seen  
Turning heads like the pages in a magazine  
She's so fine, she's all mine  
And I don't even know why She's a dance [Incomprehensible] criminal  
Stealing the floor, on the most wanted list  
When she walks through the door  
She's so fine, she's all mine  
And I don't even know why You got me singing like, ooh, ooh  
Do-do-don't stop it, you got it  
Just keep on moving your body, ooh, ooh Ge-ge-get on it, don't stop it  
'Cause you're the life of the party, party, ah, ah  
The life of the party, party, ah, ah  
The life of the party, ooh, ooh Ge-ge-get on it, don't stop it  
'Cause you're the life of the party She's the mainstream, sour and sweet  
She's like a mashed up  
[Incomprehensible] dancing queen  
She's so fine, she's all mine  
And I don't even know why I'm be-be-beating like a heart attack  
Hitting fast, killing machine  
But I'm okay with dying young  
If she's leaving with me  
She's so fine, she's all mine  
And I don't even know why You got me singing like, ooh, ooh  
Do-do-don't stop it, you got it  
Just keep on moving your body, ooh, ooh Ge-ge-get on it, don't stop it  
'Cause you're the life of the party, party, ah, ah  
The life of the party, party, ah, ah  
The life of the party, ooh, ooh Ge-ge-get on it, don't stop it  
'Cause you're the life of the party Don't ever stop it, you got it  
Accelerate it, I want it  
Don't ever stop it, you got it  
Accelerate it, I want it  
Don't ever stop it, you got it  
Accelerate it, I want it You got me singing like  
You got me singing like, ooh, ooh  
Do-do-don't stop it, you got it  
Just keep on moving your body, ooh, ooh Ge-ge-get on it, don't stop it

'Cause you're the life of the party, party, ah, ah  
The life of the party, party, ah, ah  
The life of the party, ooh, oohGe-ge-get on it, don't stop it  
'Cause you're the life of the party, party, ah, ah  
The life of the party, party, ah'Cause you're the life of the party, party, ah, ah  
The life of the party, party, ah, ah  
You're the life of the party
