

Attention (feat. Wiz Khalifa)

PnB Rock

[Hook]

Soon as I pull up

Yeah, my wrist want attention

Got your bitch in my section

I can feel all the tension

By the way that I mention

I'm with all of my henchman

And you know they on go, yeah woah Soon as I pull up

And my wrist on froze

And your bitch she chose

I'm with all of my bros

And we gon' keep flexing

And we gon' keep flexing

Balling hard no question, yeah

Soon as I pull up [Verse 1]

Steady chasing, the money [?] better places

Black diamonds with the white diamonds, yeah we call that shit segregation

VVS's yeah they always shining

Got 'em sick you can peep they faces

Mighta said I ain't fucking with him but you can never I say I ever hated

All this gas got me elevated

They ain't think that I will ever make it

Your bitch she gave me good brain, you can say she was educated

She can never say we ever dated

She can never be my main cause I'm in too love with the big face [Bridge]

While you be holding hands with your bitch

I been in the car, popping xans with your bitch

Me and all my man's hit your bitch

I'm bout to get some head in my whip [Hook]
