Thor (The Powerhead)

Carnarium

Black clouds on the horizon
Great thunder and burning rain
His chariot pounding
I heard the heavens scream his nameI watched as he shouted
To the giants who died that day
He held up his hammer high
And called to Odin for a signThor the mighty, Thor the brave
Crush the infidels in your way
By your hammer let none be saved
Live to die on that final day
Gods, Monsters and men
Will die together in the endGod of thunder, God of rain
Earth shaker who feels no pain
The powerhead of the universe
Now send your never ending curseI watched as he shouted
To the giants who died that day
He held up his hammer high
And called to Odin for a signThor the mighty, Thor the brave
Crush the infidels in your way
By your hammer let none be saved
Live to die on that final day
Gods, Monsters and men
Will die together in the endSwing your hammer to crack the sky
Lift your cape so that you might fly
Back to Odin and the Gods on high
And leave the mortal worldThor the mighty, Thor the brave
Crush the infidels in your way
By your hammer let none be saved
Live to die on that final day
Gods, Monsters and men
Will die together in the end
