

Die Slow (Nastique Remix) [Bonus Track]

HEALTH

Does it matter how?
Does it matter when?
If you market yourself for blood
How do you come back? She sees red at night
No one knows
She sees red at night
No one If she chooses girls matter (?)
If she chooses guys ...
Does she profit to fill her lungs?
I want to hold her breath. Does it matter what?
She sees red at night
Does it matter where? No? one knows.
If she markets herself for blood
She sees red at night
How will she come back?
No one ..break Does it matter what?
She sees red at night
Does it matter where? No? one knows.
If she markets herself for blood
She sees red at night
How will she come back?
No one
