Trust (LP Version)

Sixpence None the Richer

Trust in the lord with all your heart Lean not on your own understanding In all of your ways acknowledge him And he will make you paths straightDon't worry about tomorrow He's got it under control Just trust in the lord with all of your heart And he will carry you throughLord sometimes it gets so tough To keep my eyes on you When thinks are going rough But when I turn my eyes up to the sky And I hear your voice is says to meSo child do not be weary with the troubles Of this world I have overcome
