

Kissing a Fool

George Michael

You are far, when I could have been your star
You listened to people, who scares you to death
And from my heart
Strange that you were strong enough to even make a start
But you'll never find peace of mind, till you listen to your heart
People, you can never change the way they feel
Better let them do just what they will, for they will
If you let them steal your heart from you
People, will always make a lover feel a fool
But you knew I loved you
We could have shown them all
We should have seen love through
Fooled me with the tears in your eyes
Covered me with kisses and lies
So goodbye
But please don't take my heart
You are far, I'm never gonna be your star
I'll pick up the pieces and mend my heart
Maybe I'll be strong enough, I don't know where to start
But I'll never find peace of mind while I listen to my heart
People, you can never change the way they feel
Better let them do just what they will, for they will
If you let them steal off your heart
And people, will always make a lover feel a fool
But you knew I loved you
We could have shown them all
But remember this, every other kiss that you'll ever give
Long as we both live
When you need the hand of another man
One you really can surrender with
I will wait for you, like I always do
But something there that can't compare with any other
You are far, when I could have been your star
You listened to people, who scared you to death
And from my heart
Strange that I was wrong enough to think you'd love me too
I guess you were kissing a fool
You must have been kissing a fool
