

# Work

## Broder Daniel

Yeah

I wake up every day feeling the same way  
Wake up every day feeling the same way

Badi bap bap bap

Badi bap bap bap

Wake up every day

I got to go to work, then hurry home  
Got to go to work, then hurry home

Badi bap bap bap

Badi bap bap bap

I got to go to work

Then hurry home

Oh every day is just the same  
Oh every day is just the same

Badi bap bap bap

Badi bap bap bap

Every day is just the same

Oh it's all the same

All the same

Ha

Oh misery a place in me

Oh misery a place in me

Badi bap bap bap

Badi bap bap bap

Misery is a place in me

Is a place in me

Oh misery

Oh misery is a place in me

Is a place in me

It's a place in me
