

Desnude

J Balvin

What's is your indulgence, tell me what's your vice?

Do you like it naughty? Do you like it nice?

(Dime tus fantasas)

I'm you're supplier of lust, love and fire tonight

(Ests listo?)

All you desire is yours if the asking is right

Vamonos, so just doDesnude, get naked

Desnude, for me

Desnude, get naked, oh

Desnude, get naked

Desnude, for me

Desnude, get nakedOh, qutate la ropa, librase ahora

Qutate la ropa, librase ahoraWhisper all your fetishes inside my ear

(As me gusta, papi)

My domain is shame free so lose your fear

(Amrrame)

Nothing's too much or too little, too soft or severe

(No pares)

Madame seduction has only one rule while you're here

(You got to)Desnude, get naked

Desnude, for me

Desnude, get naked, oh

Desnude, get naked

Desnude, for me

Desnude, get nakedOh, qutate la ropa, librase ahora
