

Nevermore

U.K.

Nevermore
The sight black forest
Cool moonlight
Blue shadows
Reflect in windows in direct Oh, to go down to Soho
There bold spirits don't sink so low
Gold Amber of lights
Beer glasses, misty nights Oh, to go down to Soho
Black tie night out or hobo outright
Singles bars cruising shark cars
Soho neon glow When day is dawning
You wipe the sleep
Slowly from your eyes
And you remember
