That's What Makes You Strong

Kelley Hunt

THATâ€™S WHAT MAKES YOU STRONG

If you love somebody
Then that means you need somebody
And if you need somebody
That's what makes you weak
But if you know you're weak
And you know you need someone
O it's a funny thing
That's what makes you strong

That's what makes you strong
That's what gives you power
That's what lets the meek come sit beside the king
That's what lets us smile
In our final hour
That's what moves our souls
And that's what makes us sing

And to trust somebody
Is to be disappointed
It's never what you wanted
And it happens every time
But if you're the trusting kind
This don't even cross your mind
O it's a funny thing
That's what makes you strong

That's what makes you strong
That's what gives you power
That's what lets the meek come sit beside the king
That's what lets us smile
In our final hour
That's what moves our souls
And that's what makes us sing
