Jungle Cat

Tiger Army

Darkness on the city streets Violence in the air I can feel the animals looking at me But I'm a tiger and I have no fear I'm a big cat I don't fuck around I prowl the streets without a sound And the human jungle just brings us down... (I'm a tiger living in a zoo) Don't step on my tiger tail I'll rip your guts out, I don't care Out looking for a tigress In fishnet stockings and a rocking dress Playing games is not our style When the Tiger Army's on the prowl And the human world just brings us down... (I'm a tiger living in a zoo)
