

Men Of Good Fortune (Live Album Version)

Lou Reed

Men of good fortune, often cause empires to fall
While men of poor beginnings, often can't do anything at all
The rich son waits for his father to die
The poor just drink and cry
And me I just don't care at all
Men of good fortune, very often can't do a thing
While men of poor beginnings, often can do anything
At heart they try to act like a man
Handle things the best way they can
They have no rich daddy to fall back on
Men of good fortune, often cause empires to fall
While men of poor beginnings, often can't do anything at all
It takes money to make money they say
Look at the Fords, but didn't they start that way
Anyway, it makes no difference to me
Men of good fortune, often wish that they could die
While men of poor beginnings want what they have
And to get it they'll die
All those great things that live has to give
They want to have money and live
But me, I just don't care at all
