

Look At You (Jim's Electronic Version)

My Morning Jacket

Look at you
Such a fine citizen
Look at you, you
Such a glowing example
Of peace and glory, glory, glory
Of peace and glory, glory, glory
Let me follow you We believe in your power to lead, without fear
Not above, in some tower but here
Right down here with us, in this world Look at you, you
Everywhere at once, you
Look at you such a glowing example
Of peace and glory, glory, glory
Of peace and glory, glory, glory
Let me...let me follow...let me...let me follow you
