Turn Me On

Ida

Stripped as you are you come to me
I wont deny you anything
while you need it
when you need it
i'm a faucetwhen its hard to face the fear
that i wont find you
anywhere
will you find me
recognise me
stay inside me
your the velvet in my mouth
you i cannot be without
you make it so good
make it so good
love is so good
when it comes you give it back
