

I'm Just Sayin'

Karmin

Oh if I want it, I'm gonna get it
And I'm just sayin', I'm just sayin?
Oh if I want it, I'm gonna get it
And I'm just sayin', I'm just sayin?
Future in my hands, gotta make it count
Convince yourself it's feasible and then it's something else
Sick addiction dangerous mind,
Put it on command, era undefined
Even when you got a shadow of doubt
Even when a hundred people tell you it's a white route
You gotta do it big, you gotta do it strong
At the end of the day
You're the one who's in the wrong
Regretting and forgetting everything you work for
Instead of trendsetting and betting and it's so upsetting and I'm sweating now
And I can't believe it, it should be so easy
Already got a knack just dial it back
The windows open and world is yours, go attack
Cause when the wind is right, and the tide is high, then it's time to fly
Oh if I want it, I'm gonna get it
And I'm just sayin', I'm just sayin?
Oh if I want it, I'm gonna get it
And I'm just sayin', I'm just sayin?
I know, know, know where to go go go
Oh, oh, oh, oh, oh, oh,
I know, know, know where to go go go
Oh, oh, oh, oh, oh, oh,
Did you ever think, I'll do what I want
Me and the marathon, ha, one in the front
Now you're making plans, don't let them screw it up
Better write your name on it, paper cup
Most people afraid of here and no, got a boo got stage once apollo
I can do anything that I wanna do
And I'll take that cause it's not for you

Take a few years to surface, but now it's so berserk
Yes and I'm ring lead in this circus
I'm just sayin' I'm just laying in the pave the road ahead of me
Breaking the elements

Watching they cave in, my heart is racing
And palpitating, i'm so done anticipating
It's all good though, made up my mind
Threading the needle is the part of the design
Oh if I want it, I'm gonna get it
And I'm just sayin', I'm just sayin'
Oh if I want it, I'm gonna get it
And I'm just sayin', I'm just sayin'
I know, know, know where to go go go
Oh, oh, oh, oh, oh, oh,
I know, know, know where to go go go
Oh, oh, oh, oh, oh, oh,
If I want it know, I'm gonna get it
I'm just sayin' that's the way that it goes
Whoa, if I want it know, I'm gonna get it
I'm just sayin' that's the way that it goes
And if you make it life, I'ma tell you what
You only get one, would you be anonymous huh
Let them take a note, reenact them at the plane
Approaching destination, hit the main lane
Now we glidin, windin, trying not to crash
Cause we so high gotta keep grinding
Not a limit we driving in this ship we running it all
Oh if I want it, I'm gonna get it
And I'm just sayin', I'm just sayin'
Oh if I want it, I'm gonna get it
And I'm just sayin', I'm just sayin'
I know, know, know where to go go go
Oh, oh, oh, oh, oh, oh
I know, know, know where to go go go
Oh, oh, oh, oh, oh, oh
