My Best

Lilly Wood & The Prick

I got my bags packed, my dresses ironed
I got my shoes ready by the door I got my hands clean,
My lips red and my fingers done I've got my best clothes on,
My best hair done

So would you call my name if I try my best?
Would you remember my face if I try my best?
I've got my hopes up for the man I dream of
I got no tears in my serious eyes I got plenty of ideas my dear
I got many things, many things in my head

So would you call my name if I try my best?
Would you remember my face if I try my best?
I have my secrets to share
My arms are ready to wrap around your neck
I have no fear of loosing this game I have my future all figured out
So would you call my name if I try my best?
Would you remember my face if I try my best?
