

# One More Try

[Novaspace](#)

It's been a long time since you left me  
I didn't mean to make you cry  
I didn't mean to disappoint you,  
I didn't mean to tell you lies  
And after all that we have been through,  
Won't you let me tell you why  
One more try...  
I didn't know how much I loved you  
One more try..  
Let me put my arms around you  
Living all these lonely nights without you  
Oh baby can we give it, one more try  
It's been a long time since I've kissed you  
It always used to feel so good  
And if you know, how much I missed you  
You'd forgive me if you could  
And now that we have found each other  
Can't we give it one more try (one more try)  
One more try...  
I didn't know how much I loved you  
One more try..  
Let me put my arms around you  
Living all these lonely nights without you  
Oh baby can we give it, one more try  
And after all that we have been through,  
Won't you let me tell you why...  
And now that we have found each other,  
Can't we give it one more try (one more try)  
One more try...  
I didn't know how much I loved you  
One more try..  
Let me put my arms around you  
Living all these lonely nights without you  
Oh baby can we give it, one more try  
Give me one more try
