Peppermint

Julio Bashmore

What you gonna do I'm hot for you
What you gonna do?
I'm hot for you
What you gonna do?
Hot, hot, hot
Hot, hot, hot
Hot for you
What you gonna do?
I'm hot for you
What you gonna do?
I'm hot for you
What you gonna do?
Hot, hot, hot
Hot, hot, hot

You're hot for me tonight
It's gonna be alright
Come on and hold me tight
Hot, hot, hot
Hot, hot, hot, hot
You're hot for me tonight
I'm hot for you
It's gonna be alright
Come on and hold me tight
What you gonna do?
Hot, hot, hot
Hot, hot, hot, hot

Hot for you
What you gonna do?
I'm hot for you
What you gonna do?
I'm hot for you
What you gonna do?
Hot, hot, hot
Hot, hot, hot, hot
Hot for you
What you gonna do?
I'm hot for you

What you gonna do?
I'm hot for you
What you gonna do?
Hot, hot, hot
Hot, hot, hot, hot

You're hot for me tonight
It's gonna be alright
Come on and hold me tight
Hot, hot, hot
Hot, hot, hot, hot
You're hot for me tonight
I'm hot for you
It's gonna be alright
I'm hot for you
Come on and hold me tight
Hot, hot, hot
Hot, hot, hot, hot

Hot for you
I'm hot for you
Hot, hot, hot
Hot, hot, hot, hot
Hot for you
What you gonna do?
I'm hot for you
What you gonna do?
I'm hot for you
What you gonna do?
Hot, hot, hot
Hot, hot, hot, hot

You're hot for me tonight
It's gonna be alright
Come on and hold me tight
Hot, hot, hot
Hot, hot, hot, hot
You're hot for me tonight
It's gonna be alright
Come on and hold me tight
Hot, hot, hot
Hot, hot, hot, hot
