Two Tone Melody

The Preatures

Sometimes when I get lonely I think of you
All of this lonely and nothing to do,
HaSo weak, so in love that I wanna scream
Take me or break me, just make it a thing
HaTwo-tone melody makes me wanna sing with you babe
Only one thing in my head
Yeah it's a shame
I just keep on reaching high
Now tell me, are you mine?Now me, sitting here trying to get your eye
Even now I think "why do I even try?"
HaTwo-tone melody makes me wanna sing with you babe
Only one thing left in my head
Oh it's a shame
I just keep on reaching high
Now tell me, are you mine?Now one wise soldier all alone
When I love you baby body and soul
OhOoh melody makes me your babe
Only one thing in my head
Yeah it's a shame
I just keep on reaching high
Tell me are you mine?
