

# Fancy Man

[Devendra Banhart](#)

I heard there's a brand new zoo in Thailand  
So I hitch hike on a private flight and got there, man, fast  
I've greased every palm from A to Z Hey mister wanna date with me  
I know what I've got to do, and I'll do it From the day I was born  
Always been my stepping stone  
I come from a long line of people  
Who never waited in life  
I've got a dumb dance inside my pants man  
I've watched all the latest shows on Bing Bong  
I rode a gift horse into town  
Free subscriptions all around  
You look like you could use a night in heaven We're so in love  
Everywhere we go it's walking underwater  
Suddenly I'll be playing  
All the tears are music to my ears 'Cause I'm a fancy man  
Fancy man  
I'm a fancy man  
Fancy man  
Fancy man I looked into my eyes and I saw order  
An endless row of flowers along the border  
It's no ordinary tragedy  
Where the credits roll on the top of me  
First I'm going to do it, then I'll do it 'Cause love's the yes  
Within the yes  
And everyone's walking underwater  
Oh and the fire was [?] with fists  
And maybe [?] 'Cause I'm a fancy man  
Fancy man  
I'm a fancy man  
Fancy man  
Fancy man Sometimes I get to thinking  
Is this fancy thinking?  
Is this a fancy thought?  
I'm pretty sure it's not
