

If I Only Had a Brain

Harry Connick, Jr.

I would while away the hours
Conferin' with the flowers
Consultin' with the rain
And my head I'd be scratchin'
While my thoughts were busy hatchin'
If I only had a brain I'd unravel every riddle
For every individual
In trouble or in pain
With the thoughts I'd be thinkin'
I could be another Lincoln
If I only had a brain Oh, I could tell you why
The ocean's near the shore
I could think of things I never thought before
And then I'd sit and think some more I would not be just a nothin'
My head all full of stuffin'
My heart all full of pain
Perhaps I deserve you
And be even worthy of you
If I, if I only had a brain
