

# Song To Hall Up High (Jennie Tebler)

## Bathory

I know you watch over me  
Father of all the past  
And all that will ever be  
You are the first and the lastThe watcher of all that lives  
The guardian of all that diedThe one-eyed God way up high  
Who rules my world and the skyNorthern wind take my song up high  
To the Hall of glory in the sky  
So its gates shall greet me open wide  
When my time has come to die
