She Should Be Thanking You

Sterling Simms

She never seen the picture on my walls

She can't remember the last time that you called

We never see you when were out

You reside on the other side of townBecause of you I'm a better man

She should think of you as a best friend

Without you this story may not exist

I know the credit should point your way

'Cause every single day she saysThank you and I hug her

She should be thinkin' too

Thank you and I tell her that I love her

She should be thanking youThank you and I tell her she's my everything

'Cause she should be

'Cause I know this much is true

My girl should be thanking youShe should be thanking you

She never heard my mother

Mention your name

When mine was downYou were there like everyday

It took some time for me to get it right

By then you were gone

But I want you alone, yeahBecause of you I'm a better man

So she should think

Of you more like a best friendAnd without you this story may not exist

I know the credit should point your way

Cause every single day she says Thank you and I hug her

She should be thinkin' too

Thank you and I tell her that I love her

She should be thanking youThank you and I tell her she's my everything

'Cause she should be

'Cause I know this much is true

My girl should be thanking youGirl, what can I say

You make me this way

Back then I didn't know what it meantNow I seems I can't forget

And I know there's no room for us

And I respect you girl please trust

That I will always be thanking you'Cause every single day she says

Thank you and I hug her

She should be thinkin' too

Thank you and I tell her that I love her

She should be thanking youThank you and I tell her she's my everything

'Cause she should be 'Cause I know this much is true My girl should be thanking you
