

Another Day (Rustie Remix)

Jamie Lidell

[Chorus: x2]

Another day, another way

For me to open up to you I used to always...

I would wake up all day

only to find there's nothing more to say Now I'm letting silence to the talking

Now I'm letting silence to the walking [Chorus: x2] I used to scream when a whisper would do

Only wanted yours, all over you Now I'm letting silence to the talking

Now I'm letting silence to the walking [Chorus: x4]
