

La Vida Eternal

Altar Boyz

[Juan]

You're lying in your bed awake at night
You're safe and warm and everything's alright
Your room is filled with cool and pale moonlight
When suddenly you find you're filled with fright
There's a fear that is so common
That you know that both your mom and dad
Are feeling it too

It keeps pouding in your head
You wonder one day when you're dead
What's to become of you?[All]
La vida eternal is where you will be
With gates that are pearly and tall as a tree
Saint Peter will greet you
Your soul will be free
La vida eternally[Juan]

The Afterlife is not a scary place
It's something that we all one day must face
For when it's time to the leave human race
We're still apart of God's amazing grace
Don't be scared of when you die
And please don't scream and don't go cryin'
And do not run away
(don't cry and run away)

Won't you take me by the hand
And let me help you understand
You're gonna be okay[All]
La vida eternal is where you will be
With harps that are playing in great harmony
And angels with halos are all you will see
La vida eternally[Mark, Abe, Luke, Matthew]

Now I lay me down to sleep
I pray the lord my soul to keep
If I should die before I wake
I pray the lord my soul to take
Now I lay me down to sleep
I pray the lord my soul to keep
If I should die before I wake
I pray the lord my soul to take[Juan]

La vida eternal
Your heart will be happy

And filled with much glee
You'll no longer suffer from anxiety
La vida eternally
