

Misery Business

Paramore

I'm in the business of misery, let's take it from the top
She's got a body like an hourglass that's ticking like a clock
It's a matter of time before we all run out
When I thought he was mine, she caught him by the mouth I waited eight long months
She finally set him free
I told him I couldn't lie, he was the only one for me
Two weeks and we had caught on fire
She's got it out for me, but I wear the biggest smile [Chorus]
Whoa, well I never meant to brag
But I've gotten what I wanted now
Whoa, it was never my intention to brag
To steal it all away from you now
But God does it feel so good
'Cause I got him where I want him now
And if you could then you know you would
'Cause God it just feels so
It just feels so good Second chances they don't ever matter, people never change
Once a whore, you're nothing more, I'm sorry that'll never change
And about forgiveness, we're both supposed to have exchanged
I'm sorry honey, I passed out, now look this way Well there's a million other girls who do it just like you
Looking as innocent as possible to get to who
They want and what they like, it's easy if you do it right
Well I refuse, I refuse, I refuse! [Chorus] I watched his wildest dreams come true
Not one of them involving you
Just watch my wildest dreams come true
Not one of them involving Whoa, well I never meant to brag
But I got him where I want him now [Chorus]
