

Thinking, That's All

Jimmy Eat World

Play your hand
Don't play it off
Don't play that game Out of touch
There is no pride
In seconds lost First cello suite
I know, I'm late
What do you care Stop dragging feet
We can't go back
For seconds lost Drive by don't stop
Drive by don't stop
Hate wins don't stop
Hate wins don't stop Smooth the sheets
No one was here
And never will Wind your watch
For seconds gone Drive by don't stop
Drive by don't stop
Hate wins don't stop
Hate wins don't stop
