Calling All

Phantogram

You got 20s, 5s, 10s
Pick it up, pick it up, pick it up, pick it up, pick it, oh
You got 20s, 5s, 10s
Pick it up, pick it up, pick it up, pick it up, pick it, ohCalling all the call girls
Lookin' fresh and pretty
We gon' wear the night out
'Til our hands and nose bleed
Let me know what'll break you
Let me know what to pay you
Come along little angel
You gotta do what you gotta doWe all got a little bit of ho in us
We all got a little bit of ho in us
We all got a little bit of ho in us
Take it, take it, take it like you love it nowWe all got a little bit of ho in us
We all got a little bit of ho in us
We all got a little bit of ho in us
Take it, take it, take it like you love it nowShake, you know you wanna shake, keep goin' now
Shake, you know you wanna shake, keep goin' now
Shake, you know you wanna shake, keep goin' now
Keep, keep goin' now, keep, keep goin' nowShake, you know you wanna shake, keep goin' now
Shake, you know you wanna shake, keep goin' now
Shake, you know you wanna shake, keep goin' now
Keep, keep goin' now, keep, keep goin' nowWe all got a little bit of ho in us
We all got a little bit of ho in us
We all got a little bit of ho in us
Take it, take it, take it like you love it nowCalling all the lost boys
With your bellies aching
Meet me down by the boat docks
I know what you're craving
I can satiate it
You can almost taste it
Love is overrated
Love is overratedShake, you know you wanna shake, keep goin' now
Shake, you know you wanna shake, keep goin' now
Shake, you know you wanna shake, keep goin' now
Keep, keep goin' now, keep, keep goin' nowShake, you know you wanna shake, keep goin' now
Shake, you know you wanna shake, keep goin' now
Shake, you know you wanna shake, keep goin' now
Keep, keep goin' now, keep, keep goin' nowWhatever we do to get by

It's alright, it's alright
Whatever we do to get by
It's alright, it's alrightShake, you know you wanna shake, keep goin' now
Shake, you know you wanna shake, keep goin' now
Shake, you know you wanna shake, keep goin' now
Keep, keep goin' now, keep, keep goin' nowShake, you know you wanna shake, keep goin' now
