Human

Anggun

Human, behave yourself You have burst at the seam Let it all fall out, open your mouth Often I lie wide awake, think of things I can make but I don't seem to have The parts to build them Human, I wonder why you're a better Make than I could ever build or create You know not love or hate I am so scared of what will kill me In the end for I am not prepared I hope I will get the chance To be someone to be human Look what we've done Look what we've done I would give my life to be human Human, I'm trying to come clean I will be a better me I will not drink until I'm dead I'll make the most of it I don't know what it's like to be alive To say goodbye, to cry a thousand tears Because my ears won't listen Human, I'm trying not to lose my faith in you I've sassed out all that I've seen through, I've sailed an ocean I am so scared of what I'll look like In the end for I am not prepared I hope I will get the chance To be someone, to be human Look what we've done Look what we've done I would give my life to be human I would give my life to be human I would give my life to be human I would give my life to be human

I used to hear it all so loud
The sound of my heart breaking
The truth is waiting to be found
I trust that I will take it
I would give my life
I would give my life, human
I would give my life, human
I would give my life, human
I would give my life to be human
