

Its Magic

Shotime

Oh oh oh it's magic you know never believe it's not so it's magic you know never believe it's not so I've never been awake I've never seen a day brake you are my pillow my morn'in man I've never seen any van and music in my head crazy music playin my morn'in man I like Oh oh oh it's magic you know never believe its not so its magic you know never believe its not so I've never sung a day and dream of far away dream'in on my pillow my morn'in man I've never been awake I've never seen a day brake you are my pillow my mornin man I like oh oh oh its magic you know never believe its not so its magic you know never believe its not so

Oh oh oh its magic you know never believe its not so its magic you know never believe its not so , Never believe
