Flashback

Icona Pop

Here I go again acting like I'm the king of the world.
Oh whoa
Don't give a damn about the voice in my head; do you ever learn?
Yeah, I let myself get starry-eyed.I drink all night
When I'm uptight.
Another round
To make it right.Waking up again with a heart full of hate
Memory lost in alcohol
Where did my head go, go?
You took a lot of love from this heart full of hate
Babe and I gave you quite a show
Drinks on me, unstoppableI'm in a flashback, I'm in a flashback, I'm in a flashback
I'm in a flashback, I'm in a flashback, I'm in a flashback
(In a flashback)Last night, I had another bad dream that wasn't meant to reoccur
And now I know, too much of one thing will only make you feel worse
But my alter ego take the leadI drink all night
When I'm uptight.
Another round
To make it right.Waking up again with a heart full of hate
Memory lost in alcohol
Where did my head go, go?
You took a lot of love from this heart full of hate
Babe and I gave you quite a show
Drinks on me, unstoppableI'm in a flashback, I'm in a flashback, I'm in a flashback
I'm in a flashback, I'm in a flashback, I'm in a flashback
(In a flashback)Wrapped in twilight, great mistakes
[?] high and low,
Glorious and pitiful,
Nights are young and so are we
That is just how we rollI'm in a flashback, I'm in a flashback, I'm in a flashback
I'm in a flashback, I'm in a flashback, I'm in a flashback
(In a flashback)Waking up again with a heart full of hate
Memory lost in alcohol
Where did my head go, go?
You took a lot of love from this heart full of hate
Babe and I gave you quite a show
Drinks on me, unstoppableI'm in a flashback
