

# Turn Out the Light

[Amy Holland](#)

Is this another conspiracy?  
the ruined stars ganging up on me  
i wake the planet and it's underhand  
it won't work, it won't work  
It's the odd of deception, dear  
through my \*\*\*\* to you  
to steal the heart by the cover of \*\*\*  
and getting me trapped  
I'm not getting trapped!  
I'm gonna  
CHORUS:  
Turn out the night!  
I can be strong  
as long as there's daylight  
Turn out the night  
till i get over him  
soon be over him  
And don't come on with your sympathy  
just keep your shadows away from me  
You're wasting time on a heart like mine  
It won't work, it won't work  
You take advantage when I'm out of day  
As my emotions fall in disarray  
But you won't win i just won't give in  
It's only a trap  
I'm not getting trapped!  
I'm gonna
