I Should Have Kissed You

One Direction

I keep playing it inside my head
All that you said to me
I lie awake just to convince myself
This wasnt just a dream
Cos you were right here and I should have taken the chance
But I got so scared and I lost the moment again
Its all that I can think about
Ohh, youre all that I can think about
Is your heart taken?
Is there somebody else on your mind?
Im so sorry Im so confused just tell me
Am I out of time?
Is your heart breaking?
How do you feel about me now?
I cant believe I let you walk away when
When I should have kissed you
I should have, I should have oh, I should have kissed you x4
Every morning when I leave my house
I always look for you, yeah
I see you every time I close my eyes
What am I gonna do?
And all my friends say that Im punching over my weight
But in your eyes I saw how you were looking at me
Its all that I can think about
Ohh, youre all that I can think about
Is your heart taken?
Is there somebody else on your mind?
Im so sorry Im so confused just tell me
Am I out of time?
Is your heart breaking?
How do you feel about me now?
I cant believe I let you walk away when
When I should have kissed you
I should have, I should have oh, I should have kissed you x4
When youre stood there, just a heartbeat away
When we were dancing and you looked up at me
If I had known then, that Id be feeling this way
If I could replay, I would have never have let you go
Never have let you go

Am I out of time?
Is your heart taken?
Is there somebody else on your mind?
Im so sorry Im so confused just tell me
Am I out of time?
Is your heart breaking?
How do you feel about me now?
I cant believe I let you walk away when
When I should have kissed you
I should have, I should have oh, I should have kissed you x4
I should have kissed
