Celebration

Kanye West

Yeah, you know what this is
It's a celebration, bitches!
Grab a drink, grab a glass
After that I grab yo assWhy you actin' all
Shy and all
Why is y'all
Lyin' for?
"I never did this before"
Stop that
What, you want some patron?
I got that
I mean I promise y'all
You fine and all
And your girlfriend, she kinda raw
But she not like you
No, she not like you
Right now I need you to mute all the monologue
All that talking is goin' give me a Tylenol
You put a nigga to sleep, I'm tired of y'all
Right now the Louis Vuitton don is signing off
But, I just thought you should know
We hit the liquor store
Got some Cris and some Mo
And we about to let it flow
Had some problems before but see we let em go
Got an ounce of that dro
And we about to let it blowYeah, you know what this is
It's a celebration, bitches!
Grab a drink, grab a glass
After that, I grab yo assSee you know my style
I'm very wild
And I vow that my child will be well endowed
Like his daddy
And tell him that your mama had a fattie
He looked up at me said, "daddy that's the reason why you had me?"
Yep, we was practicing
Til one day your ass bust through the packaging
You know what though? You my favorite accident
So go head pop some Cristal

For my newborn child 'cause now y'allKnow what this is
It's a celebration, bitches!
Grab a drink, grab a glass
After that I grab yo ass
But, I just thought you should know
We hit the liquor store
Got some cris and some mo
And we about to let it flow
Had some problems before but see we let em go
Got an ounce of that dro
And we about to let it blowHo! Ho! (We lookin' for some) Ho! Ho!
