Caveman

The Bears

i am a modern caveman
sittin' here by the fire
these hands of mine been busy
they never seem to tire
i am a fearless hunter
look at all these bones
sometimes i sit and wonder
who i am and what I'm for
i'm a caveman
i painted lots of pictures
and made up my own songs
i shivered through the winters
the pain has made me strong
I'm looking for a woman
to help me count these stars
then maybe she could show me
who i am and what i'm for
i'm a caveman
i named the constellations
and taught myself to swim
created my creator
and made me look like him
i pondered my condition
till my head began to ache
right now I'm going fishin'
it's good to be at the top of the food chain
i'm a caveman
