

Bloody Mary Morning (Electric Guitar Version)

Willie Nelson

Well, it's a bloody Mary morning
Baby left me without warning
Sometime in the night
So I'm flyin' down to Houston
Forgetting her's the nature of my flightAs we taxi toward the runway
With the smog and haze
Reminding me of how I feel
Just a country boy who's learnin'
That the pitfalls of the city
Are extremely realAll the night life and the parties
And temptation and deceit
The order of the day
Well it's a bloody Mary mornin'
'Cause I'm leavin' baby somewhere in LAWell, it's a bloody Mary morning
Baby left me without warning
Sometime in the night
So I'm flyin' down to Houston
Forgetting her's the nature of my flightOur golden jet is airborne
And flight fifty cuts a path
Across the mornin' sky
And a voice comes through the speaker
Reassuring us flight fifty
Is the way to flyAnd a hostess takes our order
Coffee, tea or something stronger
To start off the day
Well it's a bloody Mary morning
'Cause I'm leavin' baby somewhere in LAWell, it's a bloody Mary morning
Baby left me without warning
Sometime in the night
So I'm flyin' down to Houston
Forgetting her's the nature of my flight
Yeah I'm flyin' down to Houston
Forgetting her's the nature of my flight
