

It's So Easy (feat. Wolfgang Niedecken)

Sheryl Crow

All I want to know
Is when you go
Do you think of me
'Cause I could let you go But there'd be a hole
Where my heart used to be It's so easy holding you near
I could melt in your arms and disappear
Loving you baby is breaking my heart tonight
It's so easy but it isn't right o I saw you today You walked away
And I couldn't breathe
'Cause I know how it will feel
It's a love so real
When you're touching me It's so easy holding you near
I could melt in your arms and disappear
Loving you baby is breaking my heart tonight
It's so easy but it isn't right o I saw you today Every night I lay here alone
After you leave me and go home
She doesn't know that we can't let go
And it's hurting me so It's so easy holding you near
I could melt in your arms and disappear
Loving you baby is breaking my heart tonight
It's so easy but it isn't right o I saw you today Baby it's so easy
