

Vodka

La milca

Vodka, you're feeling stronger
Vodka, no more feeling bad
Vodka, your eyes are shining
Vodka, you are the real MAN
Vodka, wipes away your tears
Vodka, removes your fears
Vodka, everyone is gorgeous
Vodka, yeah vodka[Chorus:]

Drinking is good for you, soon you are unconstrained

Drinking is good for you, here comes the womanizer

Drinking is good for you, not anymore lonesome

Drinking is good for you, and you will feel awesome
Out of respect for nature, our vodka and drinkers.

Promising, that the vodka we reserve, is as pure as it was thousands of years ago
