Save Me

Seasick Steve

Save me from this way
It be killing me
Yeah, I been sitting here dreaming
Yeah, one day, of being free
Save me, save me, save me, oh save meSave me from this girl
She be, killing me
I been sitting here dreaming
Yeah, one day, of being free
Save me, save me, who gonna save me?
Yeah, save meSave me, from this song
It be boring me
I been sitting here dreaming
Yeah, one day, of being freeSave me, save me
Who gonna save me?
Save me yeah, save me
Who gonna save me?
Baby hang onSave me, hang on, save me
Yeah, gonna save me
Who gonna save me?Yeah, but who gonna save me?
Oh, who gonna save me?
