

Saturday Night

Suede

Today she's been working she's been talking she's been smoking
but it'll be alright

'cause tonight we'll go dancing we'll go laughing we'll get car sick
and it'll be okay like everyone says it'll be alright and ever so nice

We're going out tonight out and about tonight.

Oh whatever makes her happy on a Saturday night

Oh whatever makes her happy whatever makes it alright.

Today she's been sat there sat there in a black chair, office
furniture,

but it'll be alright,

'cause tonight we'll go drinking we'll do silly things,
and never let the winter in,

And it'll be okay like everyone says, it'll be alright and ever so
nice,

We're going out tonight, out and about tonight.

Oh, whatever makes her happy on a Saturday night,

Oh, whatever makes her happy, whatever makes it alright.

We'll go to peepshows and freak shows,

We'll go to discos, casinos,

We'll go where people go and let go

oh whatever makes her happy
